

Yeah, I want a website, but how much is this going to cost me?

First, we will set-up a meeting to discuss your needs. After the meeting, I will make a bid for the site based on the expected workload. Once a flat rate is agreed upon, that is all you pay each month, no matter how many updates are needed. No need to worry about how any little request will affect your budget. This fee includes hosting and design. Also, each additional domain registered will cost \$20 annually (your main domain is covered in the flat rate).

What is included with my flat rate?

- Hosting
- One Domain
- Web Design
- Streaming Video set-up through VIMEO / YouTube
- Graphic Design
- Submission to all major search engines
- PDF creation (for fliers or other promotions)
- yourname@yourdomain email redirects
- Monthly Statistics analyzing your web traffic
- Web Forms
- Blog Set-up
- RSS Feeds / Twitter / Facebook
- Store Locator via Zip Code
- Site Back-ups

Do I have to sign a contract?

We sign a contract for one year at a time. If at the end of the year, you decide not to go with bluevortex.net, the domain will be turned over to a host of your choosing, all graphics and work included.

How do I set-up a meeting?

If you are interested in discussing your site with bluevortex.net, contact Mike Endres to set-up a meeting:

Phone 616.745.0446

Email webmaster@bluevortex.net
